Last year we had a great time. Come and enjoy the people from Boone, Iowa.

## Larry and Jerry say, don't let the Boone Society Die!

**Plan to attend and bring a Boone friend, an Iowa friend, or even your next door neighbor from Nebraska.** We have to guarantee the Hotel 50 people and pay the difference from the treasury if we do not reach that amount.

We will hold our 97<sup>th</sup> annual luncheon in Feb. 2011. **At that time we will elect officers to run the society.** Larry and I would like to step down and let others run the society. Larry took over the Presidency and Treasurer's positions in 1995 and I joined him in 1998 as Vice President and became Secretary in 2003 when Laura DeLance stepped down.

*To get an idea of the duties I will be happy to send you the Minutes and Kick Off Agendas from past meetings (by email).* These will give you an idea of the duties. Larry and I will be happy to support the new officers while they learn the job. I have computerized everything, so you don't have to reinvent the wheel. I will turn over all the records from the society, which I have scanned, going back to 1949.

Larry and I email back and forth during the year and meet in October to plan the February Luncheon. You will be able to see from the minutes and the Kick Off agendas what it takes to run the society. Of course we do this with the help and support of our wives, Reva and Joanna. Depending on how many people would like to run the society, they can get together and divide the responsibilities. You don't have to live close to one another; it can all be done by email.

This year I will email the flyer instead of a mailed paper invitation to the limited number of people who I have email addresses. But, people change email addresses more often than they do snail mail addresses, so if I get a lot of returned emails or don't get a reply, I will assume you did not get the email so I will mail you a hard copy through the post office. It is hard to get people to respond to the invitations to give us their email addresses, so we may not reach many folks this way. However we do reduce our expenses and it costs a lot to do the mailing. **So please send your email address to [jerjoman@att.net](mailto:jerjoman@att.net)**

Hopefully a new group of officer's can generate more interest from the younger folks from Boone and will continue the Boone Society into the future.

Please think about this and **let me know** if you are **interested**. We will then put your name up for nomination to the Boone Society at the February 6, 2011 luncheon.
